REPLY AND MOTION

CIVIL NO: 2:25-CV-00049

I, Ruby Franke, am asking for a continuance until I can find proper representation. I reached out to the contract attorneys provided by the prison and was told this matter is beyond their scope of work. Family on the outside is actively reaching out for possible attorneys. I'm involved and eager to move ahead but months, not days, are needed to secure counsel, give him/her time to review the complaint and plan a course of action.

To give an idea of the slow pace I'm confined to, it takes about three weeks for the prison to approve me calling a new phone number. It took two days to secure this white paper.

If the court were not to grant me additional time to answer specifically, I hereby generally deny the allegations of the complaint.

I'm including, again the delay in service at the prison. Please see Exhibit A.

Thank you for the court's consideration.
